AWARDS / CLOSING REMARKS

by

Fred Taber

General Chairman, BiTS Workshop

It's been three days packed with learning, exploring and sharing, but now it's time to pack our bags and take what we've learned back to our jobs. But first, there are a few closing remarks and some recognition to the people and papers that have distinguished themselves in one way or another at BiTS 2013.

COPYRIGHT NOTICE

The paper(s) in this publication comprise the Proceedings of the 2013 BiTS Workshop. The content reflects the opinion of the authors and their respective companies. They are reproduced here as they were presented at the 2013 BiTS Workshop. This version of the papers may differ from the version that was distributed in hardcopy & softcopy form at the 2013 BiTS Workshop. The inclusion of the papers in this publication does not constitute an endorsement by BiTS Workshop, LLC or the workshop's sponsors.

There is NO copyright protection claimed on the presentation content by BiTS Workshop, LLC. (Occasionally a Tutorial and/or TechTalk may be copyrighted by the author). However, each presentation is the work of the authors and their respective companies: as such, it is strongly encouraged that any use reflect proper acknowledgement to the appropriate source. Any questions regarding the use of any materials presented should be directed to the author(s) or their companies.
