

Incheon – Tuesday November 7, 2023

The [TestConX® Workshop](#) has, over the course of its twenty-four-year history, established itself as the preeminent event for test consumables, test cell integration, and test operations. The program scope has expanded over these years from packaged semiconductor “final” test and burn-in to encompass all practical aspects of electronics testing including validation, advanced packaging testing, system level test, module test, and beyond to finished product test.

The success of the workshop – which has been primarily held in the Phoenix/Mesa, Arizona area for most of its history – is well appreciated by attendees, exhibitors, sponsors and visitors from the local community. International attendance at the Mesa event, at over 40% for the past several years, demonstrates the global reach and relevance of the TestConX Workshop. And in 2015, TestConX China Workshop was successfully launched.

In response to the importance of Korea to the global semiconductor industry and the large number of test related operations and suppliers in Korea, there is a high level of demand to participate in a Korean event. Therefore, **we are holding the inaugural TestConX Korea Workshop on Tuesday November 7, 2023** at the Songdo Central Park Hotel.

This one-day TestConX workshop will provide attendees with the opportunity to see new locally created and developed content in addition to the best from international presenters. The TestConX EXPO will facilitate networking and meeting with various suppliers and supply chain partners to the industry.

Opportunities are now available for sponsors at all levels as well as for TestConX EXPO exhibitors. The initial TestConX Korea workshop agenda is now available.

The event will generate strong attendance from the local and regional semiconductor industry including Samsung, Hynix, Amkor, ASE, and others. In addition, many of the exhibitors and sponsors at TestConX 2023 (in Arizona) have registered to participate.

Don't miss this opportunity to be part of the TestConX Korea Workshop as we connect a larger community of test professionals and to participate in this excellent event!

TestConX Korea 2023 Event Outline & Fees

Attendance

- Target of 150-200 qualified attendees – test engineers, test managers, design engineers, design managers, operations managers, purchasing agents, purchasing managers, and supply chain managers
- All-day admission charge of ₩95,000/USD\$75 including buffet lunch.
- Afternoon admission charge of ₩35,000/USD\$30 including tea break (no lunch).
 - Many attendees will be complementary with use of passes from exhibitors or from qualification by producers/local committee.

Program (subject to change without notice)

- Morning
 - Keynote
 - Five presentations total (½ hour each)
 - Tea / Networking break
- Buffet lunch followed by TestConX EXPO Exhibits (~ 1.25 hours)
- Afternoon
 - Six presentations total (½ hour each)
 - Tea Break & TestConX EXPO

TestConX EXPO

- 15 Fully Upgraded Exhibition booths.
 - Each booth will have custom printed graphics and lighting.
 - Location assignment on basis of signup after receipt of payment.
 - Please see Booth Information & Floor Plan document.
- Open from 1300 to 1800 for approximately five hours of exhibit time.
- Each exhibitor will receive ten (10) admission passes for attendees and 1 staff registration. Additional passes available at discounted rates.
- Fee USD\$4,000 for approximately a 2.3 m x 1.8 m space.
- **SPECIAL DISCOUNT: 10% off for companies sponsoring and/or exhibiting at both TestConX Korea 2023 and TestConX China 2023.**

Sponsors

- Premier – quantity 1 (exclusive) – \$16,000 including booth
- Honored – quantity 3 to 5 – USD\$11,000 including booth
- Distinguished – quantity 5 to 7 – USD\$8,000 including booth
- Benefits are commensurate with levels, please see sponsor table attached.

Notes on fees:

- Since many attendees will receive complementary admission (due to inability to afford or have reimbursed the registration fee), the event costs will be covered by the TestConX EXPO exhibitors and the Sponsors.
- There are no refunds for cancellations for exhibiting or sponsorship orders by submitting company. Fees are fully refunded if a cancellation by TestConX.

For more information please contact office@testconx.org or visit www.testconx.org
